

# ARTIFICIAL LIVING FENCE

## Artificial "living fence"

description	height (mm)
alternative to living fences package contains 3 bm 80% non-transparency	1000 1500
alternative to living fences package contains 3 bm 95% non-transparency	1000 1500 1800

- almost non-transparent shielding
- very similar to living fence with shrubs
- maintains color
- load carrying shield part is the knitted wires in which two-color strips are applied to imitate shrub leaves

# SHIELDED LINK

## Shielded knitwear for 65% non-transparency
